

ICFAEAM 2018

International Conference
on

Factors Affecting the Efficacy of Ayurvedic Medicines

05-06 January, 2018

Organized By

**Department of Rasa Shastra
Banaras Hindu University
Varanasi - 221005**

Organizing Chairman

Prof. K.R.C. Reddy

Organizing Secretary

Dr. Dev Nath Singh Gautam

Varanasi, (also known as **Kashi**) is the abode of Lord Shiva and one of the oldest living city in the world. City is situated on the banks of the Ganges where 84 Ghats of river Ganges form the symbolic semi-lunar chain of the city. Varanasi lies along with National Highway 2 (Kolkata to Delhi), and is well connected by Railways and Lal Bahadur Shastri International Airport.

The major attraction of the places are Subah –e-banares (sun rising events), Ganga Arti, and ancient spiritual sites of temples of Hinduism, Jainism, and Buddhism. Kashi Vishwanath Temple of Lord Shiva, Sankat Mochan Hanuman Temple, Durga Temple, Tulasi Manas Temple, Bharat Mata Temple and Kal Bhirav are the most revered Hindu pilgrimage places. Sarnath, situated 10 Km northeast from Varanasi is one of the most revered pilgrimage centre of Buddhism where Lord Buddha preached his first sermon in 500 BC. Varanasi is also renowned for Indian classical & folk music, Banarasi Silk Saries, Arts & crafts.

Banaras Hindu University (BHU) established in 1916 by **Bharat Ratna Mahamana Pt. Madan Mohan Malaviya Ji** and one of the most prestigious Central Universities of the country. Largest residential University of the Asia with the humble message *Sarvavidhya ki Rajdhani* is the only University of India.

Ayurveda is the science of life practiced by ancient Aryans is based on Atharva Veda, one of the oldest scripture of Hindus. Mahamana Pt. Malviyaji was of the firm view that the Ayurveda is the only science which can serve the entire Nation for improving its health and life as a whole. With this aim full-fledged studies of Ayurveda commenced since 1927 and with due progresses, Faculty of Ayurveda is working today. Faculty of Ayurveda is propagating globally due to its uniqueness in relation of its management of diseases.

Rasa Shastra Department was established in 1978, in the Faculty of Ayurveda, Institute of Medical Sciences, Banaras Hindu University. Department of Rasa Shastra is responsible in teaching, training, and research of Rasa Shastra & Bhaishajya Kalpana. Rasa Shastra deals with conversion of minerals/ metals/ animal origin materials in to efficacious medicine i.e. Bhasma, Rasaushadhies etc. Bhaishajya Kalpana deals with preparation of different dosage forms i.e. *Churna, Vati, Gutika, Avaleha, Asava- Arishta* and *Pathya Kalpana* etc. These dosage forms are prescribed by Ayurvedic Physicians very efficiently. Present day demand of Ayurvedic formulations has been raised globally. Therefore commercialization of Ayurvedic drug manufacturing took place and the desired effect mentioned for those Ayurvedic formulations is not obtained. This is because there are many factors influencing and changing the pharmacological effects of Ayurvedic drugs. Therefore it is the need of hour to identify the factors, which are influencing the Efficacy of Ayurvedic medicines. In view of this Department has decided to organize an International Conference with the title, **“Factors Affecting the Efficacy of Ayurvedic Medicines” – “ICFAEAM 2018”** on 05th – 06th January 2018 to reveal about the various factors, which are influencing the efficacy of Ayurvedic medicines.

Theme of Conference

- Factors influencing during Collection, Procurement and Storage of Raw Material.
- Factors influencing at different levels of Manufacturing of Ayurvedic Medicines.
- Factors influencing the Quality and Safety of Ayurvedic Formulations.
- Factors influencing the Dose, mode of Administration, Vehicle and Absorption etc.
- Factors influencing by the Storage conditions and Stability of Ayurvedic Medicines.
- Pathya ahara (Dietetics) – Vihara (things to do and not to do) and their influence on the Efficacy of Ayurvedic Medicines.

Call for papers, Abstract Format Details

Abstract and full papers are invited for poster/oral presentation from individuals, groups and organizations. The abstract should be typed in Times New Roman of 12 points in 1.5 lines spacing carrying title in capital bold, followed by the author name(s), affiliation, postal address and email Id of the corresponding author. Two copies of abstract not exceeding 150 words (without any sketch & table) along with two copies of summary not exceeding 400 words (including objective(s) of the study, the methods used, results obtained and conclusions drawn) should be submitted in soft copy and hard copy on A4 size paper with 2.5 cm margin from all sides.
