### Message

I am pleased to know that the 2nd International Ayurveda Conference is being organized at Miami, Florida, USA from October 8-10, 2010. I understand that the Asociacion of Ayurvedic Professionals of North America has emerged as a widely recognized platform for Ayurveda in the past seven years and that physicians, scientists and integrated medical practitioners from many countries will attend this conference.

I hope that this conference will be a grand success, shall throw light on the strengths of Ayurveda in anti-ageing and Rasayana therapies, and will lead to the propogation and promotion of Ayurveda both within and outside the United States. I wish the conference all success.

  
(Dr. Raman Singh)
